About Us

Established in 2002, the Jimmy Pratt Centre was founded through the generosity of Kathy LeGrow in memory of Jimmy Pratt. What began as a weekly meal program has grown into a community hub offering nutritious meals, support services, and inclusive programs for individuals facing the challenges of everyday life. We are committed to creating a welcoming environment where all people are treated with dignity, kindness, and respect.

Our Mission

We are dedicated to providing hot, nutritious meals and other support services to those in need while treating our patrons with kindness and respect. We strive to improve the spiritual, physical, and emotional well-being of those who serve.
